PLEASE NOTE: IF MEASUREMENTS PROVIDED BY CUSTOMER ARE INCORRECT, HARLEY HAUL MOTORCYCLE TRANSPORT RESERVES THE RIGHT TO CHARGE ACCORDINGLY, BASED ON ACTUAL MEASUREMENTS.

SCHEDULE - please, we can not stress enough, the importance of you sticking to the schedule **you provide to us** on this reservation application. The times you list for picking up and dropping off your bike at the event are extremely important to our overall event schedule and the schedules of 30-60 other bikers who are also on our trucks! The bikes are loaded in the trailers according to these schedules! (yes there is a method to the madness!) As an example - If you show up a day early, you may not be able to get your bike at that time. There could be 20 other bikes loaded behind yours that would need to be unloaded to get to your bike! We understand there may be flight delays etc, which are completely excusable but please give us a courtesy call if you will be more than 1/2 hour late due to unforeseen circumstances. If you are late NOT due to excusable delays or uncontrollable circumstances, you will be charged \$25.00 per hour per bike! (inexcusable reasons for lateness are: going to the bar, going to your hotel to eat, sleep, swim going shopping etc. when you are scheduled to pick up your bike at that time).

GROUPS - If one person needs to cancel their reservation in your group, that does not mean the entire group needs to cancel theirs. Over the years, groups have been repeatedly doing this, leaving us with half full trailers 2 weeks before (and sometimes less) leaving for events. This is unfair to us and unfair to the bikers we turned away for shipping due to being "full". Such short notice does not give us time to fill the vacant space on the truck, or for the bikers we turned away to plan their entire trip and fill those vacant spaces. This is unacceptable and your group will be charged full price for these last minute cancellations! In the past we absorbed the tremendous losses, we will no longer do that. **NO EXCEPTIONS.**

*******FUEL SURCHARGE** - In 2022 we had to add a fuel surcharge on top of our regular prices. Our prices were calculated for the year when fuel price were high, but not for when they actually doubled! This was the first year in our history that we have ever had to do this. For 2023, we may have to do this again. We will keep our eyes on the fuel prices in 2023 and hope they do not climb as they did in the middle of the March 2022 Daytona Bike week. They continued to sore and were more than doubled by the 2022 Sturgis Bike week - which was the only event we charged the surcharge on in 2022.

I hereby enter into this contract with HARLEY HAUL MOTORCYCLE TRANSPORT, and for the services being described on this contract, authorize, & agree to payments terms as follows:

A NON-REFUNDABLE \$300.00 DEPOSIT PER UNIT IS REQUIRED AT THE TIME YOUR ORDER IS PLACED TO SECURE YOUR RESERVATION. Please keep in mind that once a *Customer* reserves a spot on our trailer, we cannot sell it to anyone else. *Customer* may pay by business or personal check, cash or any type of certified funds.

If paying the balance at time of *Unit(s)* pick up for shipment, full payment to the driver must be in the form of cash, business check or certified funds, such as cashier's check or money order, and will be collected before the driver loads or unloads your *Unit(s)*. The driver will NOT accept credit cards. All checks are to be made payable to the owner of Harley Haul Motorcycle Transport, **Rob Garcia.**

Customer hereby acknowledges that **HARLEY HAUL MOTORCYCLE TRANSPORT** reserves the right to pursue any avenues available, in order to collect the monies due as stated in this contract, along with any collection and/or legal fees incurred. This includes, but is not limited to returned checks for any reason(s).

I have read, understand, and agree to all terms listed on this three page contract. Please note: Shipment of multiple units may increase the total page count of this contract. I/we knowingly and willingly enter into this legal binding contract with **HARLEY HAUL MOTORCYCLE TRANSPORT**. *Customer* understands that this contract is exclusively between *Customer* and **HARLEY HAUL MOTORCYCLE TRANSPORT**.
